Lake Zurich, IL

HEATHER BAMBRICK / *You'll Never Know*

With over 20 award-winning years under her belt, this Canadian multi-tasker serves up a classy, sassy jazz vocal date with quite the eclectically mixed songbag. A sophisticated cocktail date you'll want to keep when it comes to getting your weekend started right, all that's missing from the mix here is the sound of martini glasses clinking. A winner throughout.
